We all known the devastation of N.C. region, we were also planning ahead for next August 2025 trip. This need to be discussed of condition the of the area will look like come next year.

As a chapter, there is also some thoughts, how can we all contribute in some way to help boost the economy back into North Carolina. One idea is to go back and patronize Big Lynn Lodge in support. Maybe Not all the twisty roads will be there (yet) but the Lodge is good relaxing place as a Destination.
