**Happy New Year** - By listening and taking down notes during the monthly meetings, in the past 6 months or so, I'm started to noticed a refreshing change of our club's energy. We all have part in this, by participating and bringing in fresh ideas. Brainstorming with different social actives, from theme nights to planning local to overnights rides has really changed the club's atmosphere and dynamics.

As Secretary, all individuals that made it happen last year. I can only say "Thank You",.

Let's make this year even better (I know we can), with your active participation and encouragement, we can spark additional excitement with suggested activities, etc. and increase new members.

**Membership** — Mike Drentlaw,

Membership Drive !

Don't forget, there are some exiting members that need to renew your **National HOG membership**, before you can enjoy being part of the - Low Country H.O.G. Chapter. We will continue to reach out to those individuals, to remind them that time will be running out

The membership **cutoff** date will the end **of Feb 2015**, Please don't let that happen.

On a sad note!

For those that don't all know Mike's history involvement with the Low Country H.O.G. Chapter

Mike's Club Officer history, dates back over 6 years (if not more), he was part of those people that brought the LC HOG Club, back from the brink. Throughout those years, Mike actively played various parts of an officer's duties. Sometimes playing a multi rolls at the same time.

He now wants to, hang up his officer hat, so there is an open position for Membership. Mike is not going anywhere, so this means any member that wants to put up their hand for the position, you will still have Mike for training you up and as an advisor.

For those that show interest or want to know more about the Membership's roll - Please reach out to **Mike** or **Tim** or email [CHSHOG4774@gmail.com](mailto:CHSHOG4774@gmail.com)

**Activity Officer** - Donna Witt

Absent 😞

BUT Donna is actively working and planning on this year activities.
