Jim reported on membership. We are currently at 84 members. 32 out of the 84 have signed up for the Ride 365 program. Everyone needs to participate. Easy to sign up at the dealership.

We have plenty of chapter business cards to hand out to potential members. Need to sign and hand out at every opportunity.

Jim Witt mentioned the ride for Debra on June 21st. Ride will be mixed with the American Legion riders.

David mentioned our planned ride to Fort Moultrie festivities on June 28th. He is looking for a ride captain for this ride. David discussed our Road Captain meeting results and the rides are included in the minutes.

□ Jeff talked about safety. He said Charles Ford was hit on a round -a- bout and is healing from a broken leg. He emphasized about being alert to other drivers especially at stop and yield signs.

He was concerned that some didn't want to discuss accidents. Tim also asked the group if there were any concerns about talking about safety. One said our accidents don't need to be repeated once they have been talked about and another said we need to concentrate on solutions not just the accidents. General consensus was to continue to talk about and discuss safety.

□ Brad made some suggestions about offering free memberships to enlarge our group that he picked up at other dealerships/Hog locations. It was suggested that Jim put together a committee to brainstorm some ideas.

□ Looking for technical help to get our TV in the dealership and in the Hog Room working to show our events and videos. Kevin and Jim said they would look at it.

□ Nick mentioned his ride to Pooler GA on June 13th to the Air Force Museum.

□ Brad mentioned a ride on a Monday for the Dealership employees on their day off. It was discussed and agreed to plan a ride.
