

LOW COUNTRY CHAPTER 4774

Meeting called to order at 9:30am by Tim Shaw.

- 1. Pledge of Allegiance**
- 2. New Members Welcome**
- 3. Assistant Director Report-Kent - Kent discussed a possible swap meet within the Chapter. It was suggested we do this on our Facebook page for members to post what they have to offer other members. The reason for facebook was that there was a conflict with the Chapter sell or trading parts on premises. Kent also spoke on the skills class by Tim Holland on November 15 at 9am**

Kent also spoke on the accident he had on Parkers Ferry Rd where it tur –ns into dirt/sand.

- 4. Treasurer's Report-Fred - Fred reported our balance of \$1567.48**
- 5. Secretaries Report - absent**
- 6. LOH-Vacant**
- 7. Activities-Donna**
- 8. Membership Officer - absent**
- 9. Road Captains Report - David spoke on the need for Road Captains. If you are interested let us know. He also spoke on parking lot parking.**

10. **Safety Officer- absent**
11. **Dealership GM Report - absent**
12. **Director Comments- Tim spoke on Ride365 and our standings: National 209499 miles which puts us 98 out of 518 chapters; National average miles 3880 and for our region 23 out of 99 chapters.**

We discussed the Christmas Party/Chapter Meeting on December 6th, 6pm until 9pm. It was decided we use Swing and Swine for the food. If you would like to provide a desert it is welcome. We will plan on the present swap, capping the gifts at \$20 (however any value is welcome). It does not have to be a new item as regifting is always fun. We need volunteers to help set up the room. Pam Mouzon said she will help among others, let us know.

I want to add that you can get your HOG items such as patches from norscothogstore.com online.
