Attendees – 52

This was a special evening meeting, as we celebrate our annual Christmas party (lots of food and fun) plus some of us we were joined by our partners or better half's

welcome

Director – Tim Shaw – started off asking everyone to say the Pledge of Allegiance.

After it gave Tim the opportunity to Welcome everyone and thanking in making this year one of the largest party group. Tim further mention in recognizing everyone for a wonderfully year we had and those that Helped out in volunteering their time and planning the events throughout the year. A Special mentioned to all those Road Captains on planning wonderful - day rides, luncheon rides and weekend rides, coordinating with the Head RC (**Dave**) . and also, those that partook in the Safety courses to keep us all alert and safe.

The planning by the Road Captains - , all of us ,enjoyed some amazing destinations rides, from South Dakota, Panhandle Fl. to the renowned annual spot in the hills of Little Switzerland NC.

Here is the prove - it shows all the Miles, we did together, looking back to **2020**, doing **71K** p/y, to today forecast, hoping to exceeding **300K** .

That's a big deal !!! It proves as a HOG group, we all enjoy riding but sometimes, the ride can be a perfect excuse, to make it more about the Friendship.

The Year is not over!!!

Never mind this year attempted “**200,000**” K (done that, been there) - lets aim for Over “**300,000**” K -
We have **17 or so days left**, before coming to the close of the year.

Collectively, we only need **7625 miles** to reach 300000 miles –
This is not a mission impossible – this is doable !!!!!

Let's cruise without Tom and do it our way – Lets Ride !
